

BLACK DIAMOND GATHERING HONORED WITH TWO GPA MIDSTREAM SAFETY AWARDS

HOUSTON - May 20, 2020 – [Black Diamond Gathering, LLC](#) (“Black Diamond” or “the Company”) is humbled and proud to be the recipient of two GPA Midstream safety awards: the Company Best Safety Record Award, second place, Division IV; and a Perfect Record Award. Black Diamond is a joint venture established in January 2018 by [Noble Midstream Partners LP](#) (NYSE: NBLX) and [Greenfield Midstream LLC](#) to provide crude oil gathering and storage services to producers in the Denver Julesburg Basin. The Black Diamond system consists of approximately 240 miles of pipeline in operation, 300,000 barrels per day of delivery capacity and approximately 420,000 barrels of crude oil storage capacity.

GPA Midstream: Company Best Safety Record Award

The Company Best Safety Record Award recognizes GPA Midstream member companies in one of four divisions for outstanding safety performance in comparison with similar member companies. Division IV includes companies with less than 50,000 midstream operational workhours. The top two entries in each division are selected according to the total cases incidence rate (TCR) and lowest fatalities plus lost workdays incidence rate (LTR) and the highest number of workhours reported. Black Diamond achieved TCR and LTR ratings of 0.000 with 38,189 operational work hours.

Perfect Record Award

The Perfect Record award recognizes midstream industry companies with outstanding safety performance and is presented to those with no lost time accidents from January 1, 2019 through December 31, 2019.

From Black Diamond

"We are deeply honored to receive these two awards and congratulate all of the winners," said Greenfield Midstream CEO Chris Coxon, speaking on behalf of Black Diamond Gathering. "Safety always comes first at Black Diamond. It lies is at the heart of every decision we make and every action we take. Everyone on the Black Diamond team from Greenfield Midstream and Noble Midstream Partners shares this honor."
